STUDENT GOVERNMENT

Presiding over a new form of student government at Chicago Circle is Arthur Jungwirth, elected president of the student body in December, along with two other officers on the Progress Party label. Six other students were elected individually (without party affiliation) to serve on an executive board with the three top officers. The board will perform the executive function of Student Government and the legislative function will be vested in the whole student body. Under a town-hall type government approved by a student referendum in October, all duly registered students at Chicago Circle may attend meetings of the student assembly and vote on all issues. Elected on the Progress Party label with Jungwirth are Terry Donohoe, a senior, as executive vice president and Bruce Sirkin, a junior, as treasurer. Individual candidates elected to the Executive Board are: Sylvia Janis, Internal affairs vice president; Obie Philpot, External affairs vice president; Diane Meltzer, recording secretary; and John Wesley Lowe, corresponding secretary. Elected as members at large are Allen Greenfield and Kevin Cronin. Student Government acts as the only representative voice of the entire student body at the University of Illinois at Chicago Circle, providing for the articulation of the student viewpoint, fostering awareness of student needs, and allowing for student participation in the life of the University and the surrounding community. In order to fulfill these functions, Student Government has established and maintains a Student Bill of Rights, investigates procedures and policies affecting student welfare, provides for student needs, and initiates formal changes in existing University procedures and policies.

Ondine

By Jean Giraudes

Directed by
Hugh Dickinson

The Drama Club is probably one of the most active organizations on campus; not only does it hold four major plays a year, directed by various faculty advisors, but there are also opportunities for students to direct shorter pieces. Tryouts for parts are open to all students and are held before each play. Students are also in charge of scenery, costumes, make-up, lighting, sound, choreography, and publicity. This year their selections were: "Italian Straw Hat" by William Raffeld, "Benito Cereno" by Natalie Schmitt, "House of Bernarda Alba" by Chester Long and "Ondine" by Hugh Dickinson. These plays were held at the 11th St. Theatre on 62 E. 11th Street. The Drama Club is sponsored by the University of Illinois Department of Speech and Theatre.

Michael Gross grosses out Ilene Factor.

In recent years the Chamber Choir has performed on radio and television, in addition to presenting several concerts on campus each year. During the past Christmas season a program was given at a local church in an attempt to help further good relations between the University and the surrounding neighborhood. The Chamber Choir is under the direction of Maxine E. Mandell and specializes in the performance of Renaissance, Baroque and Contemporary Choral literature.

WEEK THAT WAS

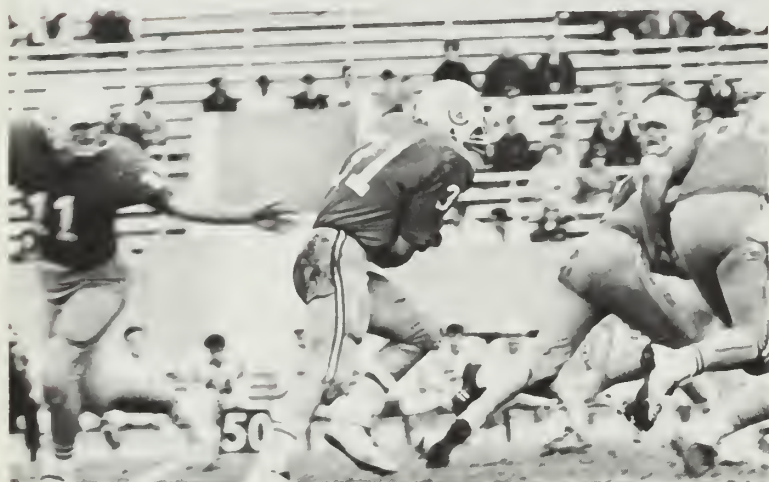

Highspot of the Homecoming weekend was a semi-formal dance held in the Center Saturday night. Headlining the dance was Skitch Henderson and his orchestra in the Illinois Room. Baby Huey and the Baby Sitters along with local groups provided music to groove by. For the Folk buffs, Tom Paxton supplied satire, comedy and folk music.

FOOTBALL

Izral hands off to Carbone up the middle.

End Dave Jackson pulls in Izral pass between two Eastern defenders.

The 1968 UICC football team, under the guidance of Head Coach George Strnad, finished the season with a rather disappointing 4-4-1 record, considering the team was 4-1 after the first five games. The Chikas then went into a tailspin, tying their next game and losing the next three.

There were many exciting moments, however, due especially to fine individual efforts by halfback Don Gotkowski, fullback Carl Carbone, quarterback Jim Izral, and linebacker Dan Zajac. Don Gotkowski, voted the team's Most Valuable Player, ended his four-year career with 22 touchdowns, 2,820 yards in 554 carries, and 2,854 total yards, all school records. Quarterback Jim Izral ended his record-breaking career at Circle with 212 completions in 464 attempts for 2,698 yards and 20 touchdowns.

The Chikas of 1969 will prove to be a fine team due to the fact that this year's team was composed mainly of sophomores and juniors. Experience will be the key to the success of next year's team. Go you Chikas!!!

FRONT ROW: Arnie Mandell, Dom. Cannatta, Larry Frey, Paul Mix, Rick Lewin. *BACK ROW:* Robert Sweich, Thomas Manson, Charles Manson, Greg Olsen, Vern Scarpelli, Phil Sloan, Richard Czyz.

The Chika basketball team ended the season with a record of 11 wins against 11 losses. Coach Tom Russo cited the lack of another big man up front to help center Greg Olsen and forward Chuck Manson in rebounding and an increased number of turnovers as contributing factors to the Chikas' relatively poor showing this season. "You have to consider the over-all improvement of our schedule too," said Russo. "We played teams like Lewis, Lane College and UW-Milwaukee for the first time and we met others like Dominican, UM-St. Louis and Chicago State who are seeking post-season tournament bids."

There were some bright spots in the Chikas' play this year, though. Sophomore center Greg Olsen, elected the teams' Most Valuable Player, set a new season scoring mark when he scored 13 points in the final game of the season to give him 426 points in 22 games for the season, five more than the old record held by Ray Miknaites in the 1965-66 season. Olsen also led the team in rebounding with an average of almost 13 a game. The play of guard Rich Czyz, who averaged 13.8 points a game and forward Chuck Manson who was second in rebounding and who carried an 11.3 point scoring average also deserve special recognition.

Next years' team proves to be a much better ball club. The return of three starters (Olsen, Manson, and Czyz) provides a strong nucleus to build around.

Senior Phil Sloan scores an easy two points against Roosevelt.

Under the leadership of Coach John Kantarski and a fine team effort, Chicago Circles' hockey team posted a 9-1 record in the Midwest Intercollegiate Hockey League, and an overall 12-4 record, to win its first outright league title since joining the conference in 1966. Last years team was tied for first place.

The Icemen were strong both offensively and defensively. The Chikas' outscored their opponents 106-36 with goalie Rory Mozden posting six shutouts. Team and League scoring leader and Most Valuable Player was center Bob Miller with 16 goals and 30 assists for a total of 46 points. Behind him were Bill Korona with 14 goals and 20 assists, John Lewe with 12 goals and 20 assists, and Roger "Ramjet" Heikkila with 8 goals and 22 assists.

The highlight of the season was a 7-0 shutout against the University of Illinois Urbana squad on February 22. The team really wanted this one to revenge an earlier loss in the season. Their play was only topped by their desire to win. Congratulations to a fine team.

Wright, a former sprinter at Bowling Green, will enter his thinclads in six dual meets this season and also the NCAA indoor championships at Detroit, March 14-15. The UICC bowling team, under the fine direction of Coach Gene Kirkham, took first place last year in the National Intercollegiate Bowling Association. From here the team went on to the NIBA National Tournament where they ended up in second place. Still later in the year, the UICC bowlers won the Qualifying Trophy in the National Intercollegiate Matchgame Tournament. Congratulations to a fine team for a very fine season.

Concentration is an important part of the game as shown by Helmut Heller.

Mixed emotions.

Good form is important also, says Terry Shissler.

VOLLEYBALL

Although only in its second varsity season, the volleyball team is showing signs of becoming a midwest power. With only two seniors on the roster, the team finished with a 5-9 record and seventh place finish in the Midwest Intercollegiate Volleyball Conference.

BILLIARDS

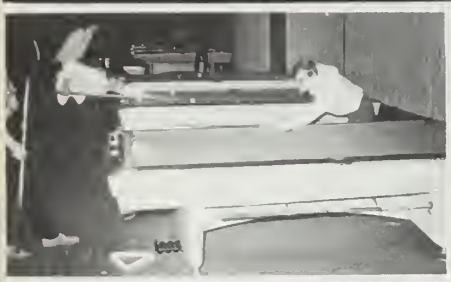

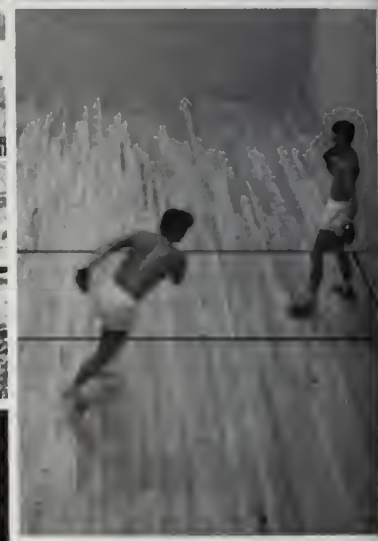

Marshall Bodter, National Intercollegiate Pocket Billiards champion, is rated fourth in the nation. Following victories in the UICC campus tourney and the Association of College Unions Regional tourney in Wisconsin, Marshall defeated the top three players in the nation at the University of West Virginia. He also won the Central States title at Bradley University.

Camille Santore, winner of the ACU regional pocket billiards tourney, is ranked seventh nationally among women billiard players. Camille also holds the UICC billiard title.

TO THE GRADUATING CLASS OF 1969:

Few moments equal the joy, the satisfaction, and the fulfillment of graduation. It is a personal and permanent victory, an honor to last a lifetime. To each of you my sincerest congratulations.

John W. Gardner has written that "schools and colleges must equip the student for a never-ending process of learning; they must gird his mind and spirit for the constant reshaping and reexamination of himself. They cannot content themselves with the time-honored process of stuffing students like sausages or even the possibly more acceptable process of training them like seals."

If your education at the University of Illinois at Chicago Circle has had the consequence of developing within you the love of learning, curiosity, self-discipline, intellectual honesty and the capacity to think clearly, then we have succeeded.

Best wishes to all for happiness and success in the years ahead.

Sincerely,

Norman A. Parker
